Gentlemen:

According to the discussion on the review of the ASEAN Mutual Recognition Arrangement on Dental Practitioners (MRA) during the 7th Meeting of the ASEAN Joint Coordinating Committee in Kuala Lumpur held on September 25th, 2012, the meeting recommended Thailand to delete Ministry of Public Health from the list of Professional Dental Regulatory Authority as provided in Article 2.7 of the ASEAN MRA on the basis that the Ministry of Public Health is not consonant with the definition of Professional Dental Regulatory Authority.

I hereby inform you that the Dental Council of Thailand agrees to the deletion of the Ministry of Public Health from Article 2.7 of the ASEAN MRA on Dental Practitioners.

Sincerely yours

Dr. Toranin Charascharungkiat (D.D.S.)
President of the Dental Council of Thailand
